Prevention and Treatment of Sports-Related Concussions and Head Injuries

School staff members supervising programs of athletic competition; licensed athletic trainers; nurses; and school/team physicians shall be trained on the possible signs or symptoms of a concussion. Any possible signs or symptoms of a concussion shall be reported by the student-athlete or an observer to the staff member supervising the program of athletic competition; athletic trainer; school/team physician; school nurse; and/or parent.

The district will adopt an Interscholastic Head Injury Training Program to be completed by the school/team physician, licensed athletic trainer, coaches, and other appropriate district personnel pursuant to N.J.S.A. 18A:40-41.2.

Pursuant to N.J.S.A. 18A:40-41.4, a student-athlete who participates in a program of athletic competition and who sustains or is/isolated by a concussion shall be removed from participation in any athletic activity until cleared by a licensed physician or other qualified medical professional.
